## Warranty Information

---

### Caesar Guerini:

All new Caesar Guerini products in the U.K are covered by our (Anglo Italian Arms Ltd) 10 year mechanical warranty. This warranty begins from the first owner's original date of purchase and does not require re-registration if purchased by any further owners. We would recommend that all guns are to be returned to us for inspection every three years. During this inspection we will advise if the gun has any issues or a three year mechanical service would be advised. For further information on this warranty please contact Anglo Italian Arms Ltd.

---

### Fabarm:

All new Fabarm products in the U.K are covered by our (Anglo Italian Arms Ltd) 3 year mechanical warranty. This warranty begins from the first owner's original date of purchase and does not require re-registration if purchased by any further owners. We would recommend that all guns are to be returned to us for inspection every three years. During this inspection we will advise if the gun has any issues or a three year mechanical service would be advised. For further information on this warranty please contact Anglo Italian Arms Ltd.

**Both the warranty for Caesar Guerini & Fabarm does not warrant the wood (stock or forend), or metal finish with respect to finish, matching of pieces, dents, scratches, cut, dings, etc. which are or should be apparent to the purchaser when the product is purchased or which occur after purchase. It is the customer's responsibility to inspect this particular product prior to purchase to ensure that it is free from defects or damage.**

Full terms of trading available upon request.
